## *About us.....*

Peppermint Stick Preschool and Children's Center has been dedicated to the education and well being of children since 1967. With a continued focus and commitment to serving children and their families we will respond to the needs of the children, family and community.

We offer a range of developmentally appropriate programs for a variety of ages – from 15 months to preschoolers and kindergarteners to school-age kids. All our programs provide a rich literacy environment in which children are motivated to involve themselves in the learning process. We have a fully integrated, carefully planned curriculum; we balance our academics with our own expertise in music and movement, art, creative expression, social and emotional development activities. Perhaps our most unique feature in our program is our emphasis on the individual child and family. Both our schools are family owned and operated and licensed by the state.

To learn more, visit our website [www.peppermintstickcc.com](http://www.peppermintstickcc.com) – or call us at 847-546-1160 for our Round Lake Beach Center or 847-223-0611 for our Grayslake center.

POLICY: PROGRAM PHILOSOPHY

POLICY NO.: 3

EFFECTIVE DATE: 1/1/00

\*\*\*\*\*

Purpose and Goals:

Our goal is to provide developmental care with frequent and fond attention from staff; a safe and interesting physical environment; the opportunity to socialize with other children and a program of enriching educational experiences. We intend to offer a preschool program that blends prescribed educational activities with opportunities for free choice, that has some structure, but allows children to explore a varied environment.

It is our aim to maximize the intellectual, physical, social and emotional development of each child. Each child will be considered an individual first, then as a group member. Whenever possible, we intend to provide individualized care in a group setting.

Our program will be based on the following tenets:

1. That each child is unique.
2. That children can only reach maximal development with quality care.
3. That children do not always develop at a steady rate, nor is their growth always a smooth process.
4. That all normal children grow from one stage to another, but no two children go through a stage in exactly the same way or at exactly the same time.
5. That children develop in four different ways – physically, intellectually, socially and emotionally.

It is our goal to offer a program that encourages each child's growth, by matching the child's needs, abilities and interests with a physical setting and ambience that enriches living experiences. This demands a safe environment that is at the same time creative and homelike in ambience, while providing sufficient equipment and materials to challenge the child's developing powers – a place that provides abundant opportunities for varied learning and creative endeavors.

Of all the resources available in a child care program, we believe that the people who work with the children are the most important. They make the difference between a good or bad experience for the children. Our staff is expected to create an atmosphere of cooperation, trust, understanding and security, with as little stress as possible. Children are nurtured in a good program; adults and children enjoy each other, listen and talk together.

We believe that:

1. Play is a child's work, his learning tool.
2. A good program is relaxed, orderly – basically the same each day, yet flexible enough to take advantage of special events and unplanned teaching moments.
3. Each child is an individual first, secondly a member of a group.

To implement our program our program, we require educated and trained care givers. We maintain that to be truly educated, one must continue to learn. Therefore we are committed to supplementing and refining our own skills, those of the staff, as well as those of the children.

Qualifications of Staff:

1. Emotional maturity.
2. Good physical and mental health and stamina
3. Respect for children and adults
4. Ability to exercise good judgment
5. Flexibility and patience.
6. Good personal hygiene and personal appearance.
7. Reliability and responsibility.
8. Imagination, creativity and enthusiasm.
9. Possess warmth, empathy and sensitivity.
10. Willingness to cooperate with the aims of the school.
11. Educational background that satisfies state standards for staff positions.

POLICY: MANDATED REPORTING OF SUSPECTED  
CHILD ABUSE AND/OR NEGLECT

POLICY NO.: 8

EFFECTIVE DATE: 1/11/00

\*\*\*\*\*

Under the Child Protective Services Act, mandated reporters are required to report any **suspicion** of abuse or neglect to the appropriate authorities. The employees of Peppermint Stick are considered mandated reporters, under this law. The employees of Peppermint Stick are not required to discuss their suspicions with parents prior to reporting the matter to the appropriate authorities, nor are they required to investigate the cause of any suspicious marks, behavior or condition prior to making a report. Under the Act, mandated reporters can be held criminally responsible if they fail to report suspected abuse or neglect. We at Peppermint Stick take this responsibility very seriously and will make all warranted reports to the appropriate authorities. The Child Protective Services Act is designed to protect the welfare and best interest of all children.

As mandated reporters, the staff of Peppermint Stick can not be held liable for reports made to Child Protective Services which are determined to be unfounded, provided the report was made in "good faith."

Causes for reporting suspected child abuse or neglect include, but are not limited to:

- ◆ Unusual bruising, marks, or cuts on the child's body
- ◆ Severe verbal reprimands
- ◆ Transporting a child without appropriate child restraints (e.g. car seats, seat belts, etc.)
- ◆ Dropping off or picking up a child while under the influence of illegal drugs or alcohol
- ◆ Not providing appropriate meals including a drink for your child
- ◆ Leaving a child unattended for any amount of time
- ◆ Failure to attend to the special needs of a disabled child
- ◆ Sending a sick child to school over medicated to hide symptoms, which would typically require the child to be kept at home until symptoms subside.
- ◆ Children who exhibit behavior consistent with an abusive situation

POLICY: PARENT CODE OF CONDUCT

POLICY NO.: 9

EFFECTIVE DATE: 1/11/00

\*\*\*\*\*

Peppermint Stick requires the parents of enrolled children at all times, to behave in a manner consistent with decency, courtesy, and respect. One of the goals of Peppermint Stick is to provide the most appropriate environment in which a child can grow, learn and develop. Achieving this ideal environment is not only the responsibility of the employees of Peppermint Stick but is the responsibility of each and every parent or adult who enters the center. Parents are required to behave in a manner that fosters this ideal environment. **Parents who violate the Parent Code of Conduct will not be permitted on agency property thereafter.** Please refer to the Policy on Parent's Right to Immediate Access for additional information regarding dis-enrollment of the child when a parent is prohibited from accessing agency property.

9.1 SWEARING/CURSING:

No parent or adult is permitted to curse or use other inappropriate language on agency property at any time, whether in the presence of a child or not. Such language is considered offensive by many people and will not be tolerated. If a parent or adult feels frustrated or angry, it is more appropriate to verbally express the frustration or anger using non-offensive language. At NO time shall inappropriate language be directed toward members of the staff.

9.2 THREATENING OF EMPLOYEES, CHILDREN OTHER PARENTS OR ADUTLS ASSOCIATED WITH Peppermint Stick:

Threats of any kind will not be tolerated. In today's society Peppermint Stick cannot afford to sit by idly while threats are made. In addition, all threats will be reported to the appropriate authorities and will be prosecuted to the fullest extent of the law. While apologies for such behavior are appreciated, the agency will not assume the risk of a second chance. **PARENTS MUST BE RESPONSIBLE FOR AND IN CONTROL OF THEIR BEHAVIOR AT ALL TIMES.**

9.3 PHYSICAL/VERBAL PUNISHMENT OF YOUR CHILD OR OTHER CHILDREN AT Peppermint Stick:

While Peppermint Stick does not necessarily support nor condone corporal punishment of children, such acts are not permitted in the childcare facility. While verbal reprimands may be appropriate it is not appropriate for parents to verbally abuse their child. Doing so may cause undue embarrassment or emotional distress. Parents are always welcome to discuss a behavior issue with the teacher and to seek advice and guidance regarding appropriate and effective disciplinary procedures.

Parents are prohibited from addressing, for the purpose of correction or discipline, a child that is not their own. Of course, no parent or other adult may physically punish another parent's child. If a parent should witness another parent's child behaving in an inappropriate manner, or is concerned about behavior reported to them by their own child, it is most appropriate for the parent to direct their concern to the classroom teacher and/or Center Director.

Furthermore, it is wholly inappropriate for one parent to seek out another parent to discuss their child's inappropriate behavior. All behavior concerns should be brought to the classroom teacher or director's attention. At that point, the teacher and/or director will address the issue with the other parent. Although you may be curious as to the outcome of such a discussion, teachers and/or the center director are strictly prohibited from discussing anything about another child with you. All children enrolled in our agency have privacy rights and are further protected by our Confidentiality Policy. You may be assured that we will not discuss anything about your child with another parent or adult visiting the center.

#### 9.4 SMOKING:

For the health of all Peppermint Stick employees, children and associates, smoking is prohibited anywhere on agency property. Parents are prohibited from smoking in the building, and on the grounds. Parents who are smoking in their cars must dispose of the cigarette prior to entering the parking lot.

#### 9.5 VIOLATIONS OF THE SAFETY POLICY:

Parents are required to follow all safety procedures at all times. These procedures are designed not as mere inconveniences, but to protect the welfare and best interest of the employees, children and associates of Peppermint Stick. Please be particularly mindful of Peppermint Stick entrance procedures. We all like to be polite. However, we need to be careful to not allow unauthorized individuals into the center. Holding the door open for the person following you may, in fact, be polite; however that person may not be authorized to enter the premises. Security procedures are only as strong as the weakest person in our organizational chain. Be alert and mindful. Immediately report any breaches to the Center Director.

#### 9.6 CONFRONTATIONAL INTERACTIONS WITH EMPLOYEES, OTHER PARENTS OR ASSOCIATES OF Peppermint Stick):

While it is understood that parents will not always agree with the employees of Peppermint Stick or the parents of the other children, it is expected that all disagreements be handled in a calm and respectful manner. Confrontational interactions are not an appropriate means by which to communicate a point and are strictly prohibited.

#### 9.7 VIOLATIONS OF THE CONFIDENTIALITY POLICY:

Peppermint Stick takes very seriously the responsibility of maintaining the confidentiality of all persons associated with the agency. Parents must understand the implications of this responsibility. Parents need to recognize that the

Confidentiality Policy not only applies to their child or family, but all children, families and employees associated with Peppermint Stick. Any parent who shares any information considered to be confidential, pressures employees or other parents for information, which is not necessary for them to know, will be considered to be in violation of the Confidentiality Policy.

POLICY NO.: 10

EFFECTIVE DATE: 1/1/00

\*\*\*\*\*

Parents of a child in our care are entitled to immediate access, without prior notice, to their child whenever they are in care at Peppermint Stick, as provided by law.

In cases where the child is the subject of a court order (e.g., Custody Order, Restraining Order, or Protection from Abuse Order) Peppermint Stick must be provided with a **Certified Copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

**In the absence of a court order** on file with Peppermint Stick, **both** parents shall be afforded equal access to their child as stipulated by law. Peppermint Stick cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself where one parent does not want the other parent to have access to their child, Peppermint Stick suggests that the parent keep the child with them until a court order is issued, since our rights to retain your child are secondary to the other parent's right to immediate access. Peppermint Stick staff will contact the local police should a conflict arise.

Visitors are asked to schedule appointments with the Center Director, and are allowed in the childcare facility only at the discretion of the Center Director. An employee of Peppermint Stick will accompany visitors at all times, throughout the center.

POLICY: COURT ORDERS EFFECTING ENROLLED CHILDREN      POLICY NO.: 13

EFFECTIVE DATE: 1/1/00

\*\*\*\*\*

In cases where an enrolled child is the subject of a court order, (ex... Custody Order, Restraining Order, or Protection from Abuse Order) Peppermint Stick must be provided with a **Certified Copy** of the most recent order and all amendments thereto. The orders of the court will be strictly followed unless the custodial parent(s) requests a more liberal variation of the order in writing. In the case where both parents are afforded shared/joint custody by order of the court, both parents must sign the request for more liberal interpretation of the order.

**In the absence of a court order on file with Peppermint Stick administration, both parents shall be afforded equal access to their child as stipulated by law.** Peppermint Stick cannot, without a court order, limit the access of a one parent by request of the other parent, regardless of the reason. If a situation presents itself, where one parent does not want the other parent to have access to their child, Peppermint Stick suggests that the parent keep the child with them until a court order is issued.

If conflicting court orders are presented, the most recently dated court order will be followed.

Once presented with a Protection from Abuse Order or a Restraining Order, Peppermint Stick is obligated to follow the order for the entire period it is in affect. POLICY: ARRIVAL PROCEDURES

POLICY NO.: 14

EFFECTIVE DATE: 1/1/00

\*\*\*\*\*

Upon arrival at Peppermint Stick, the parents or the adult dropping the child off must sign the child into care on the sign-in sheet located on the front desk. Children are required to be escorted by their parent or the adult dropping them off, to their designated classroom. Children are required by law to be supervised at all times while in the child care facility. Parents are required to help children put away their outerwear and get settled for the day.

Peppermint Stick discourages parents from sneaking out of the center. Some children exhibit separation anxiety when it is time for their parent to leave. Peppermint Stick believes it is best for parents to tell the anxious child upon arrival that after all of the child's things are put away, the parent will kiss, hug and say goodbye to the child. This will prepare the child for their departure. The Teacher present in the classroom will comfort and assist the child through the anxious time. Parents are asked to leave after saying goodbye. The longer the parent of an anxious child drags out the departure, the more anxiety the child is likely to feel. The professional Teachers of Peppermint Stick are available to discuss other options if the child does not settle into the arrival routine after a reasonable period of time.

At arrival, parents are required to follow the Medication Policy if a child must receive medication during the course of the day. Please hand all medications to a staff member.

Parents are required to notify the child's teacher or Center Director of any special instructions or needs for the child's day. The parent must present the special instructions in the form of a letter and verbally discuss them with either the classroom Teacher or Center Director. These special instructions include but are not limited to: early pick up, alternative pick up person, health issues over the previous night which need to be observed and/or any general issues of concern which the child care providers should be aware to best meet the needs of your child throughout the day.

#### 14.1 NOTIFICATION OF ABSENCE

Parents are required to inform the center by 11:00 a.m. if a child will not be at the center on a scheduled day. This will enable the center to more effectively maintain appropriate ratios and help the classroom teacher effectively plan for the day.

If your child is ill, we request that you notify the center director not only of the absence, but also of the nature of the illness. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with staff on a "need to know" basis. If your child has a communicable disease, we ask that you share the diagnosis with the Center Director, so that the parents of the children in the school maybe notified that a communicable disease is present. Once again, only the communicable disease information will be shared. Peppermint Stick will take all measures necessary to protect your child's confidentiality. Parents are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child's absence from school.

Parents, who know in advance that a child will be late, are encouraged to notify the center by 9:00 a.m. so as to maintain the appropriate number of employees to ensure ratios is met when the child arrives at school.

#### 14.2 AGENCY'S RIGHT TO REFUSE ADMISSION

Peppermint Stick reserves the right to refuse admission to any child at any time with or without cause.

Peppermint Stick strives to maintain an ample list of substitutes in anticipation of staff absences, however, there are times when substitutes are not available, and classrooms need to be closed to maintain compliance with licensing regulations. Refusal will be based on a "first come first served" basis when seeking to maintain appropriate staff to child ratios and/or when closing classrooms.

Possible reasons for the refusal of admission include but are not limited to:

1. Lack of staff to maintain appropriate Staff to Child Ratios as determined by State Licensing Regulations.
2. The need to maintain compliance with Licensing Regulations.
3. Staff deems the child to ill to attend.
4. Domestic Situations that present a safety risk to the child, staff or other children enrolled at Peppermint Stick if the child were to be present at the center.

POLICY: PICK UP PROCEDURES

POLICY NO.: 15

EFFECTIVE DATE: 1/1/00

\*\*\*\*\*

Parents or other authorized adult are required to sign their child out of care on the sign-out sheet located on the front desk. Once a parent signs their child out, the parent is then solely responsible for supervising their child while on agency premises. The parent may not allow a child to wander through the hallways, bathrooms, other classrooms and/or playground. Parents are required to handle all business issues prior to signing out their child, and are required to directly exit the building once they have signed their child out of care. Parents must take home all papers in the child's cubby or school bag each day.

Parents or persons designated to act "in loco parentis" are required to sign any incident/accident reports from the day at pick-up. The classroom teacher will be able to briefly discuss the matter with you or other authorized adult at pick-up. However, should you feel it necessary to have an in depth discussion or meeting, it is most appropriate to schedule the meeting for a later date because the teacher is responsible for supervising the remaining children in the classroom. A telephone conference may be scheduled for later in the day or for the next day at nap/rest time if the parent(s) is unable to meet at the center during the course of the day.

15.1 LATE PICK-UP:

All measurements of time are to be according to the Peppermint Stick's clock located in the front room. Licensing allows Peppermint Stick to operate within certain hours. It is your responsibility to pick up your child by 6:00 p.m., or make reliable arrangements for someone else to pick them up. If you are more than one hour late and we have been unable to contact anyone listed on your child enrollment forms, the law requires we contact Family Services or the local police department who will pick up your child for safe keeping.

Peppermint Stick reserves the right to charge late fees for those children left after closing. Many staff already work an 8 hour day and have things to attend to after work. For the inconvenience and to avoid Peppermint Stick having to pay additional staff members it is the parent's responsibility to pay late fees for children left after 6:05. The fee is \$1 per minute beginning at 6:06 and thereafter.

15.2 PERSONS APPEARING TO BE IMPAIRED BY DRUGS/ALCOHOL AT PICK-UP

The staff of Peppermint Stick will contact local police and/or the other custodial parent should a parent appear to the staff of Peppermint Stick to be under the influence of drugs and/or alcohol. The parent's right to immediate access does not permit the center from denying a custodial parent access to their child even if the parent is or appears to be impaired. However, Peppermint Stick staff will delay the impaired parent as long as possible, while contacting the other parent, the local police and Child Protective Services.

Any other authorized person who attempts to pick-up a child, and appears to the staff of Peppermint Stick to be under the influence of drugs and/or alcohol will be denied access to the child. The staff of Peppermint Stick will contact the child's parents, local police and Child Protective Services to notify them of the situation.

### 15.3 EMERGENCY/ALTERNATE PICK-UP FORMS

At enrollment, parents will be presented with an Emergency/Alternate Pick-up form. Parents are encouraged to include on this form any, and all persons who, in the course of events, may at one time be asked to pick-up their child from Peppermint Stick. In an emergency situation the child's parents will be called first. If they cannot be reached staff will call the persons listed on this form until someone can be reached.

Should the staff contact a parent, and the parent is unable to pick up the child, it is then the responsibility of the parent to arrange for their child to be picked up by someone on the emergency list. Failure of the parent to make such arrangements will result in dismissal from the program.

Parents do not need to be listed on the Emergency Contact Form. The nature of the parental relationship affords the parents (in the absence of a court order indicating otherwise) the right to pick-up their child.

Emergency/Alternate Pick-up persons have the right to act "In Loco Parentis." In Loco Parentis status affords the pick up person the right to discuss confidential information about the child's day including but not limited to, incident/accident reports, and behavior issues

The persons on the Emergency/Alternate pick-up form will be required to provide Government issued photo ID. There will be no exceptions to this rule.

All changes and/or additions to the Emergency/Alternate Pick-up form must be made in writing and be dated and signed. Only custodial parents have the right to make changes or additions to this form.

Peppermint Stick reserves the right to refuse/ban any person listed on the Emergency/Alternate Contact Form for any reason, including but not limited to

violations of the policies/procedures contained herein. It is the responsibility of the enrolling parent(s) to inform each person on the Emergency/Alternate Form of the policies/procedures contained herein.

Parents are invited and encouraged to be involved in their child's school activities. There are many different ways in which parents can participate and volunteer at the childcare center. Parents may volunteer to attend trips, read in the classroom, assist teachers, and/or coordinate special events. Teachers will have posted in their classrooms any volunteer opportunities available. Parents not interested in volunteering directly in the classroom may donate items, do maintenance work, or assist in the front office. Please see the Center Director for Volunteering opportunities. POLICY: HEALTH AND SAFETY

POLICY NO.: 25

EFFECTIVE DATE: 1/1/00

\*\*\*\*\*

### 25.1 PRE-ENROLLMENT REQUIREMENTS

Each child is required to complete a pre-enrollment packet of information. This packet is to be returned to the center's office prior to the child's first day of attendance. All children are required to have a complete up to date immunization record on file at Peppermint Stick. This is per our licensing regulations. If you have chosen not to have your child immunized, please ask the center director for an immunization waiver form. Immunizations may be waived for certain reasons. Please discuss this with the center director to determine whether you have the right to be enrolled and not have your child immunized. Parents are required to have a waiver on file in place of an immunization record, so that the center can maintain compliance with licensing regulations.

All children are required to have a physical examination form filled out by a licensed medical professional, in order to attend Peppermint Stick. The Physical Examination Form, indicating the child's fitness to attend Peppermint Stick, must be completed by a licensed healthcare professional and returned to the Center Director on the first day of enrollment.

### 25.2 CHILDREN WITH SEVERE ALLERGIES

For the safety of your child, parents are required to provide a signed copy of the "Authorization for Emergency Care for Children with Severe Allergies" form, detailing any allergies, food or otherwise, from which their child suffers, at the time of enrollment or when the allergy is discovered. This form must be completely filled out by the child's physician and parent(s) or legal guardian(s), and must be updated every six months, or more frequently, as needed. In addition to this form, parents must provide a copy of any additional physician's orders and procedural guidelines relating to the prevention and treatment of the child's allergy. This form can be obtained by request from the Director.

Parents must also execute a "Release and Waiver of Liability for Administering Emergency Treatment to Children with Severe Allergies" form. This form releases Peppermint Stick from liability for administering treatment to children with severe allergies and taking other necessary actions set forth in the "Authorization for

Emergency Care for Children with Severe Allergies" form, provided Peppermint Stick exercises reasonable care in taking such actions.

Any medication required to treat an allergic reaction must be provided in accordance with the Medication Policy detailed herein.

### 25.3 COMMUNICABLE DISEASES

Peppermint Stick follows all health/communicable disease policies as outlined in the Lake County Health Department Manual. A copy of this manual is on file with the Center Director and is available upon request for review. Additionally, copies can be purchased, for a nominal fee, from the Health Department 847-360-6733.

Parents are required to pick up an ill child within 45 minutes of notification by phone. If a parent is reached, but cannot pick his or her child up within 45 minutes, it becomes the parent's responsibility to arrange for alternate pick up with someone listed on the child's emergency contact form. The staff will not continue to call those listed on the emergency contact list once a parent is reached. If a parent cannot be reached, the staff will begin to call the people listed on the emergency contact form, until arrangements can be made for the child to be picked up.

Children will be excluded from participation in the program if they exhibit symptoms of any communicable disease. They will not be permitted to return to the program until they are no longer contagious. Guidelines for determining the contagious period for a specific illness are based on the recommendations by the Lake County Health Department and DCFS. Children must present a doctor's note stating they are no longer contagious and can return to the program. Peppermint Stick reserves the right to refuse to allow a child to return if the center director or designee believes the child to be too ill to participate in the program.

Children excluded from the program due to a fever may not return to the program until they are fever free, without fever reducing medication, for 24 hours. If your child is sent home due to a fever, he/she is not permitted to return to the program the following day at a minimum. A fever is defined as a temperature reading on a thermometer of at least 101 degrees Fahrenheit or more as taken under the arm.

Children are required to be excluded from the program for loose bowels or diarrhea which occur 5 or more times in a 24 hours period of time. Children may return to the program when normal bowel movements resume.

If your child will be absent due to illness, we request that you notify the center director. This enables our faculty to keep track of any illnesses, which may occur at our school. This information will only be shared with faculty on a "need to know" basis. If your child has a communicable disease, we ask that you share the diagnosis with the center director, so that the parents of the children in the school maybe

notified that a communicable disease is present. Once again, only the communicable disease information will be shared. Peppermint Stick will take all measures necessary to protect your child's confidentiality. You are not required to disclose this information by law, and your continued enrollment will not be based whatsoever on your decision to share, (or not) the reason for your child's absence from school.

#### 25.4 BITING

Peppermint Stick recognizes that biting is a developmentally appropriate behavior for children in the infant through 2 ½ year old classrooms. Parents with children in these classrooms should expect that their children may be bit, or will bite another child. The staff understands that parents are concerned and can be upset when their child is involved in a biting incident. We ask that you remember this is a developmentally appropriate behavior, and that the staff is working to identify situations which, provoke, or elicit this behavior so it can be prevented in the future. The staff will not punish, or harshly discipline children in the younger classrooms for biting behavior; they will simply redirect the children to different activities in separate areas of the classroom. Parents are expected to work with staff to identify methods and strategies to curb this behavior. Uncooperative parents will have their child's services terminated.

Children older than 3 years of age may occasionally be involved in a biting incident. For children in this age group who bite, the staff will use the discipline procedures outlined in the discipline section of this handbook, as well as observe the child to determine what provokes or elicits this inappropriate behavior. Parents are expected to cooperate with staff to help their child control this behavior. Uncooperative parents will have their child's service terminated. Furthermore, children, in the older age groups, who bite 3 times in a school year will have their services terminated since, the safety of all the children in the program is of the utmost concern of Peppermint Stick.

Parents will be notified by incident/accident report that a biting incident occurred during the course of the day. The staff may not discuss with either parent the identity of the other child involved in the incident. This information is considered to be confidential and cannot be disclosed. The staff of Peppermint Stick cannot discuss the medical history of any child involved in a biting incident with the other party. It is recommended that any child involved in a biting incident be seen by their family physician if the parents are concerned about communicable diseases possibly resulting from the biting incident.

#### 25.5 DISPENSING MEDICATION

Peppermint Stick will only dispense over-the-counter and/or prescription medication that is in original, labeled containers. Peppermint Stick will only give medication to the child for whom the doctor's note is written and for whom the medication container is labeled. One doctor's note per course of treatment is required. If a child, for example, is to be given a course of antibiotics for 10 days, the doctor's note or prescription label must identify the dates that the medication is to be given.

Parents are required to complete a Medication Form for the medication that is to be dispensed. Medication Forms can be obtained thru any teacher. Medication Forms, doctor's notes and medication are to be turned into Peppermint Stick Staff.

Peppermint Stick will dispense over-the-counter, fever reducing/pain medication (ex. Children's Tylenol, Children's Motrin) on an as needed basis. Parents are required to supply an unopened bottle of the fever reducing/pain medication clearly labeled with their child's name. Prior to administering fever reducing/pain medication, staff will evaluate the child either by taking his or her temperature or evaluating his or her ability to participate in classroom activities. Parents are responsible for ensuring that all prescription medication is properly labeled by a pharmacist and replaced prior to the expiration date.

## 25.6 FIRE/EMERGENCY DRILLS

Peppermint Stick conducts monthly fire and emergency/evacuation drills. Parents, staff and children will not be made aware of drill dates or times, as this is the most effective way to assess the effectiveness of fire and emergency/evacuation plans.

During a fire/emergency drill or real fire/emergency situation, parents may not sign children into or out of the program. Parents must wait until the drill is complete and children have returned to the building to sign their child into the program. Parents may feel free to wait with the child's class in the designated safe-zone outside of the building until the drill is complete.

In the event of a real fire/emergency situation, the director or designate will inform each classroom teacher that the school will be closing. At this time any parents waiting to sign their child in will have to leave the premises with their child. All other parents or emergency contact persons will be notified by telephone of the situation. As with the sick child pick up policy, children must be picked up within 45 minutes of the telephone call.

Parents wishing to sign their child out of the program during a fire/emergency drill or real fire/emergency situation are expected to have patience with the staff as they are trying to maintain order during an often hectic and dangerous situation. If the center is in the midst of a fire/emergency drill, parents will be required to wait until the drill is completed and the staff and children are returned to the building to sign their child out of the program. If the center is having a real fire/emergency situation,

parents will be asked to wait until the director or designee has accounted for all staff and children and gives the staff permission to release children. Once again, it is important for parents and staff to work together, remain calm, and cooperate with the fire/emergency personnel and center administration during these important and critical situations.

#### 25.7 ALTERNATE SAFE LOCATION

Should the administration of Peppermint Stick or any emergency services personnel determine the building which houses the child care agency to be too dangerous to be occupied, the staff and children will be taken to a nearby business that is open and can accommodate the children. Once the children are assembled here, the staff will begin contacting parents or emergency contact persons for pick up. As stated before, children must be picked up within 45 minutes of the telephone call.

#### 25.8 INCIDENT/ACCIDENT REPORTS

Should your child be involved in an incident/accident during the course of the school day, a staff member will complete an Incident/Accident Report and notify the parent at pick up

Parents or persons designated to act "in loco parentis" are required to sign any incident/accident reports from the day at pick-up. The classroom teacher will be able to briefly discuss the matter with you at pick-up. However, should you feel it necessary to have an in depth discussion or meeting, it is most appropriate to schedule the meeting for a later date because the teacher is responsible for supervising the remaining children in the classroom. A telephone conference may be scheduled for later in the day or for the next day at nap/rest time if the parent(s) is unable to meet at the center during the course of the day.

Should a person other than the parent or one designated to act "in loco parentis" pick-up the child, a parent or person designated to act "in loco parentis" must sign the Incident/Accident Report and return a copy to the center director within 24 hours. Failure to sign and return an Incident/Accident in this time period will result in your child's exclusion from the program until such time as the Report is returned signed.

#### 25.9 FOODS

Snacks and lunches are provided by the center. Please refer to current menus for a listing of foods served. Peppermint Stick offers children a morning snack at approximately 9:30 a.m., a half-hour lunch at approximately 12:00 noon and an afternoon snack at approximately 3:30 p.m.

**All age groups:**

All food items must be labeled with your child's name. Peppermint Stick does not permit children to share or exchange food items.

For the safety of your child, parents are required to provide notification, in the form of a doctor's note, of any allergies (food or otherwise), with instruction for treatment should a child have an allergic reaction. Please refer to the Health and Safety Policies contained herein for further information.

Parents are required to provide written notification of any food/dietary restrictions. (i.e. lactose intolerance, vegetarian diets, wheat free/gluten free diets)

Peppermint Stick never uses food as a punishment. Children will never be denied participation in lunch or snack time for behavior reasons. Food can be used by teachers as a reward for good behavior and/or for classroom lessons.

### **Toddler age groups:**

Breastfeeding mothers are welcome to come to the center during the day to feed their child. Appropriate, private feeding locations will be made available. Please discuss your desire to come to the center to breastfeed your child with the classroom teacher.

### **3 year and older classrooms:**

All meals are family style, with the children sitting at tables, to promote good manners, eating habits and socialization skills. Staff will encourage children to eat and try new foods.

Peppermint Stick curriculum focuses on developing healthy, well-balanced eating habits. Snack food items are healthy, such as fruit, vegetables and the like. We offer junk foods as a minimum usually limited as holiday treats etc.

Peppermint Stick will provide a healthy morning and afternoon snack for all children in all age groups, including water, fruit juice and/or milk. A list of the daily snacks available to the children will be posted in the center.

## **25.10 PEANUT FREE CENTER**

Due to the extreme nature of allergic reactions to Peanuts and products containing peanuts in some children, Peppermint Stick prohibits peanuts and/or foods containing peanut products on Peppermint Stick property, and/or at Peppermint

Stick sponsored events. These peanut allergies can be so severe that exposure to peanuts can result in an anaphylactic reaction. An allergic child can have a reaction from simply smelling peanuts on someone's breath, or touching peanut oil residue left on a counter top, not only from consuming peanuts or peanut products.

Parents are responsible for providing foods that are peanut and peanut product free for their child's lunch and/or snack. We have included for your reference a list of acceptable food items that are peanut and peanut product free. However, this is only a partial listing of foods. There are many acceptable food items that are peanut and peanut product free in stores. The important thing to remember is to read the label of every food item you send to school with your child. Many foods which we do not think of as containing peanuts, or peanut products have in fact been made in the same factories as peanut containing foods and are therefore considered to be contaminated. When reading the label look at not only the ingredients listed, but for statements such as, "may contain traces of peanuts." For example, Plain Chocolate M & M's have this statement on the label.

Due to the possibility of cross-contamination, (this occurs when one food is prepared with items previously used to prepare foods with peanuts, or peanut products), Peppermint Stick does not allow homemade snacks at the center. While Peppermint Stick understands that parents enjoy providing homemade snacks for birthdays and holidays, we must be mindful of the safety of all children enrolled at Peppermint Stick.

Since Peppermint Stick is a peanut free environment, parents can purchase the items to make homemade snacks and make arrangements with the classroom teacher to make the snacks as part of a classroom lesson. Only Peppermint Stick utensils, bowls, and bakeware may be used to prepare these foods.

## 25.11 FIREARMS AND WEAPONS

At no time is any person permitted to carry any type of Firearm, Ammunitions and/or Weapon on agency property for any reason. Violation of this policy will result in immediate dismissal from the program.
